### General Remarks:

- This conformity assessment is limited to the essential requirements of the RED Directive & the EMC Directive. Only products fulfilling all essential requirements of all applicable new approach directives may be placed on the market and put into service.  
Products in compliance with all provisions of the applicable directives providing for the CE marking must bear this marking.
- This device also contains frequency bands that are not operational in EU member states. Only the frequency bands used in European Union have been assessed for this Certificate.
