

## Declaration of Performance

### N.º: 006/2017

<b>Product Type</b>	<b>Rapid Door PVC – ECO</b>
<b>Intended to use</b>	Construction (according to EN 12444:2001 and EN 12424:2000).
<b>Manufacturer</b>	<b>Electrocelos – Sistemas Automatizados e Comunicações de Barcelos, S.A.</b> Travessa do Sobreiro, nº 29, 4755–474 Rio Côvo Santa Eugénia – Barcelos.
<b>Brand</b>	<i>Motorline Professional.</i>
<b>System of Assessment and Verification of Constancy of Performance</b>	<b>System 3</b>

Tecnalia Inspiring Business performed:

- Tests of resistance to wind loads according to EN 12444:2001 and EN 12424:2000 under System 3 and issued the report n.º 057831-003;
- Tests of safe opening and operation forces according to UNE EN 13241-1:2004 under System 3 and issued the report n.º 21361-3.

Essentials Characteristics	Performance		Harmonized Technical Specifications
Resistance to wind loads	Width/ mm	Height/ mm <b>3260</b>	EN 12444:2001 EN 12424:2000
	<b>3310</b>	No Class (50 Pa)	
Safe opening	PASS		EN 13241-1:2004
Operation forces	PASS		EN 13241-1:2004
Water tightness	NPD		---
Thermal resistance	NPD		---
Air permeability	NPD		---

\*NPD – Parameter Not Determined

\*50 Pa ≈ 32 km/h

**This declaration is issued under the responsibility of the manufacturer. This document will lose its validity if there is any change of the product not agreed with the manufacturer**
