

Declaration of Performance

N.º: 001/2019

Product Type	Rapid Door – SPIN
Intended to use	Construction (according to EN 12444:2001 and EN 12424:2000).
Manufacturer	Electrocelos – Sistemas Automatizados e Comunicações de Barcelos, S.A. Travessa do Sobreiro, nº 29, 4755–474 Rio Côvo Santa Eugénia – Barcelos.
Brand	<i>Motorline Professional.</i>
System of Assessment and Verification of Constancy of Performance	System 3

Tecnalia Inspiring Business performed:

- Tests of resistance to wind loads according to EN 12444:2001 and EN 12424:2000 under System 3 and issued the report n.º 057831-002;
- Tests of safe opening and operating forces according to UNE EN 13241-1:2004 under System 3 and issued the report n.º 21361-3.

Essentials Characteristics	Performance			Harmonized Technical Specifications
Resistance to wind loads	Model	Width/ mm	Height/ mm	EN 12444:2001 EN 12424:2000
			5470	
	Standard	5390	No Class (80 Pa)	
	With anti-storm kit	4390	Class 3	
		5390	Class 2	
Safe opening	PASS			EN 13241-1:2004
Operation forces	PASS			EN 13241-1:2004
Water tightness	NPD			---
Thermal resistance	NPD			---
Air permeability	NPD			---

*NPD – Parameter Not Determined

*80 Pa ≈ 40 km/h; Class 2 ≈ 100 km/h; Class 3 ≈ 120 km/h

This declaration is issued under the responsibility of the manufacturer. This document will lose its validity if there is any change of the product not agreed with the manufacturer.
