

BA-0512

Duo Output Lithium Rechargeable Battery

Feature

- * *Dual output power for most range of portable electronic device use*
- * *Compatible to portable lithium-ion battery pack BA-4400, having 4400mA capacity*
- * *LED indicator to show battery capacity*
- * *Lockable connector ideal for sporting activities use*
- * *DC wall charger compatible*
- * *Swappable battery pack design*
- * *Short charging time, long battery life*
- * *Complementary Europe adapter plug*

Specification

BA-0512

Compatible Battery Model

Battery	BA-2200、BA-4400
Battery Output Current	2200mA、4400mA

Charging

Charge Time	BA-2200: 3 hours
	BA-4400: 6 hours

Current	800mA
---------	-------

Temperature

Operation	0°C ~ 60°C
Storage	-20°C ~ 80°C

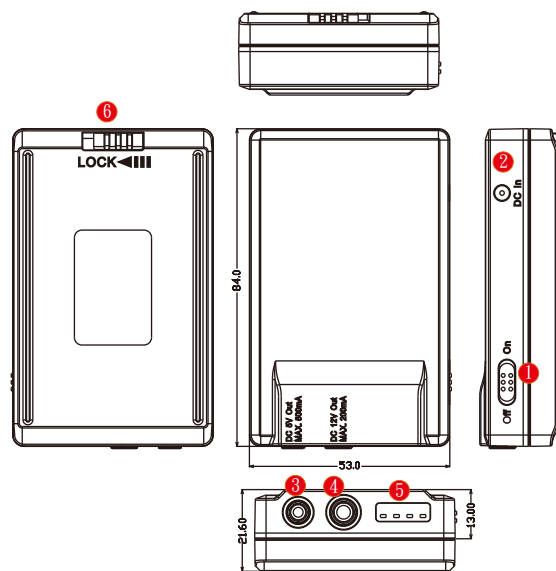

Power Output

Voltage	5V & 12V
Max Current	500mA & 300mA
Charging Constant Voltage	0% ~ 90%
Charging Constant Current	90% ~ 100%

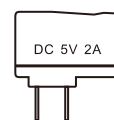

Physical

Dimension	84x53x26mm
Weight	145g (/w BA-4400)
