

MIFARE Square Readers with Keypad

5002-0613, 5002-0623, 5002-0633

Stylish and fully featured MIFARE® smart card readers from TDSi.

A stylish and full featured range of square readers from TDSi featuring combinations of MIFARE technologies.

TDSi is pleased to offer high quality square readers in robust polycarbonate housings with excellent read range and capacitive keypad.

Features and Benefits.

Compatible with ISO 14443-A standard for 13.56 MHz contactless smart card technology.

Use one card for all of your applications including cashless vending, library, POS and car park.

Fully encapsulated design

Provides maximum protection against water ingress making it suitable for mounting both indoor and out.

Integral LEDs

Provides clear visual indication of access status.

In-built sounder

Gives unambiguous feedback of card reads.

Choice of output options

Allows connection to the majority of access control systems.

Multiple mounting options

Allows the reader to be mounted on a single gang electrical box or directly to a non metallic surface.

Illuminated Keypad

Stylish blue backlit capacitive keypad.
