

1. Product Overview

2. Application

LED Indicators

Table with 3 columns: LED, Status, Description. Rows include Power, Link/Act, PoE, and 1000M indicators.

Ports, Switch, Interfaces

Table with 3 columns: Item, Type, Description. Rows include PoE 1-8, Uplink 9-10, Default Vlan, SIV, and Grounding Terminal.

Specifications

Table with 2 columns: Item, Specification. Rows include Interface, Performance, PoE Standard, and PoE Port.

- Max Port Output: 30W
Max Total Output: 99W
Power Input: 51V DC, 2.0A
Physical Environment: Storage Temperature: 0°C ~ 40°C, Humidity: (10~90)%RH, non-condensing.

- Package Contents:
Switch * 1
Power adapter * 1
User Manual * 1

Español

Table with 2 columns: Artículo, Especificaciones. Rows include Interfaces, Rendimiento, Alimentación PoE, Extend Modo, Vlan Modo, Potencia de entrada, Entorno físico, and Estándar de red.

Deutsch

Table with 2 columns: Artikel, Spezifikationen. Rows include Schnittstellen, Leistung, PoE-Strom, Extend Modus, Vlan Modus, Power Input, Physikalische Umgebung, and Netzwerk Standard.

Italiano

Table with 2 columns: Voce, Specifiche. Rows include Interfaccia, Prestazione, Alimentazione PoE, Extend modalità, Vlan modalità, Ingresso alimentazione, Ambiente fisico, and Standard di rete.

Português

Table with 2 columns: Item, Especificações. Rows include Interfaces, Desempenho, Energia de PoE, Extend Modo, Vlan Modo, Entrada de energia, Ambiente físico, and padrão de rede.

Polski

Table with 2 columns: Przedmiot, Specyfikacja. Rows include Interfejsy, Wydajność, Zasilanie sieciowe, Extend trybie, Vlan trybie, Zasilanie, Środowisk o fizyczne, and Standard sieci.

Русский

Table with 2 columns: Наименование, Характеристики. Rows include Интерфейсы, выполнение, Питание PoE, Extend режим, Vlan режим, физические условия, and Сетевой стандарт.

Română

Table with 2 columns: Articol, Specificatii. Rows include Intrefețe, Performanță, Tensiune PoE, Extend mod, Vlan mod, Intrare alimentare, Mediu fizic, and Standard rețea.

Türk

Table with 2 columns: Madde, Özellikler. Rows include Arayüzler, Performans, Giriş Bağlantı Noktası, Giriş Bağlantı Noktası Gücü, Maksimum Bağlantı Noktası Çıkışı, Maksimum Toplam Çıkış, Extend modda, Vlan modda, Güç girişi, Fiziksel Ortam, and Ağ standartları.

Magyar

Table with 2 columns: Tétel, adatok. Rows include Felület, Teljesítmény, PoE teljesítmény, Extend mód, Vlan mód, Felvett teljesítmény, Fizikai környezet, and Hálózati szabvány.

Français

Table with 2 columns: Article, Caractéristiques. Rows include Interfaces, Performance, Alimentation PoE, Extend mode, Vlan mode, Entrée d'alimentation, Environnement physique, and Norme de réseau.

Product information section including: NOMBRE DEL PRODUCTO, Alimentador de Energía, CE Mark Warning, and technical details.

Product information section including: FCC Statement, Technical Support, and Copyright information.
